

# Ecuador 2011

## Important Information/Important Dates

### Please Read Carefully!

Before you know it July will be here and it will be time to board the plane to Ecuador. It is very important that you register as soon as possible if you are going to be part of our mission team this year. The expected cost of the trip is \$1600. **Because of the large number of people who will be going on this trip, it is necessary that you adhere to the deadline dates for deposits of your money.** Telling a staff member you plan to go on the mission trip without handing in the required paperwork and payments is not acceptable. You will be registered for the trip only when we have received both your application and your \$100 deposit. Failure to turn payments in by the deadlines will incur higher prices for your airfare that you will be required to pay. Your cooperation is *greatly appreciated* by those working on your behalf to organize the trip! If at anytime after you register you determine you will not be able to go on the trip, please notify Janet Baggett immediately (467-0537 x 130 or jbaggett@carycog.com).

NOTE: There will not be any funds for scholarships this year, nor will there be an opportunity to earn funds through working around the church. When raising your funds, make certain that you will have the ability to raise your funds prior to departure.

Every meeting we have scheduled is important and you should consider your attendance mandatory! Please make every effort to attend. If you have to miss a meeting, please send someone in your place, or ask someone you know who will be attending to pick up handouts and take notes for you. Your attendance is part of your commitment to the mission team and July trip.

Evangelism team will have additional preparatory meetings. You must be willing to attend those additional meetings to be part of an evangelism team.
